

Sandy Burr Inner Club Meeting June 15th, 2022

Son's of Italy Waltham MA, Daniel Walsh on Zoom, Chris Boyer Absent

June Meeting to further discuss Scholarship Tournament and Outstanding Items

President Bill Gardiner kicked off the meeting just after 7pm EST. The first item up for discussion is the donation to the First Tee on behalf of the SBIC. SBIC will donate a percentage of the proceeds from the Scholarship Tournament to the First Tee. Motion made to approve, seconded and approved unanimously by the Board.

The next topic on the agenda is assigning of duties for the Scholarship Tournament. Board members will be purchasing breakfast options, welcoming players, raffle ticket selling, and additional volunteers being requested for assistance.

Food and beverage budget for the Scholarship Tournament was reviewed and approved by the Board. Payments for the Scholarship Tournament must be made online and any members that will enter the swimming option must pay by the Friday before the tournament.

The budget for the Scholarship Tournament will remain the same as 2021, which is a healthy dollar amount to support prizes, food, and beverages. This was unanimously approved by the Board.

Scott Rogers broached the topic of keeping an up-to-date tracker for the Tournament of Champions. Bob Backman is currently reviewing and working on the format, verbiage, and standings to be provided on the SBIC website.

David Aucoin introduced the topic of potentially applying a handicap differentiation to the SBIC Majors. A motion was made to continue the discussion, but not make any changes until the Membership has been addressed which will not occur until the 2023 season.

Bob Backman made a motion to approve the re-seeding of the President Cup leaders on Sunday. The intent is to replicate on a larger scale, what the SBIC has done for the Senior Championship and Club Championships. Notice to the membership will be posted well in advance for planning purposes. The Board approved this decision unanimously.

President Bill Gardiner made a motion to end the Board meeting at 8pm EST. Seconded by Bob Backman, and unanimously approved.

Meeting Minutes Recorded and Submitted by Secretary Danny Walsh
